New Telephone Line.

Campton will soon have in operation a long-distance telephone, a company having been formed—the Kentucky Mountain Telephone Company, with Senator Benjamin Sewell, L. T. Hovermale, A. C. Oliver, C. F. Combs and S. G. Sample as incorporators. The company propose to build a long-distance line to Clay City and establish a local telephone exchange here. We are glad to see this movement taking form, as it is an enterprise that we have long needed, and we hope the citizens will lend their encouragement and assistance to it. The Clay City line will enable us to get in direct communication with all the principal cities and towns in the United States, as connection will be made with the long-distance line at that point.—Campton Courier.

What has become of the canning factory? If not dead, it is certainly taking a sound nap. This should not be the case, for certainly the people of Clay City and the farmers around the city would be benefitted more by a canning factory than any probable industry.

Bad Wreck on L. & E.

Passenger train No. 3 on Lexington & Eastern running from Jackson to Lexington last Thursday afternoon went down an embankment two miles east of Torrent, and Engineer James Gordon and Baggage-master Max O'Connell were slightly injured.

The wreck occurred on a fill which had formerly been a trestle. The wood work gave way and let the train down in the mud. The engine, baggage car and smoker rolled down the hill while the rear coach remained on the track. The passengers were jumbled together and shook up considerably. The engine almost buried itself in the mud. The train was several hours delayed, and trains further up the road than the wreck were unable to run until Saturday when the track was repaired.

Mr. Chaffin is superintending the erection of a large band saw mill at Cartersville, Ga., and will be employed on this plant until some time in May when he will join his family here.

Local Option Kentucky.

There are now 94 counties in Kentucky where saloons have been voted out. There are now only 25 counties in the State where liquor may be sold lawfully. In many of these there are saloons in only one town in the county. And the battle is not yet over, nor will it be until every county in the State is local option territory.

Death of Mrs. Mary A. Burgher.

Mary A. Burgher, widow of the late DeMarcus Burgher, died Saturday night about 7 o'clock at the home of her son, Everett Burgher, three miles east of Winchester with acute attack of colic. Burial Monday on Hardwick's creek at the Wells graveyard by the side of her husband who died seven years ago.

Deceased was a Miss Bush and was 64 years old. She leaves seven living children. One dead. For the past year she had been living with her children, but was in this county the greater part of the time as four of her children live here.

Mrs. Burgher was a consistent member of the Hardwick's Creek Methodist church and a lady well beliked by all who knew her, and will be greatly missed by her family and many friends.

Squire Wm. Townsend, of Bowen, was transacting business in the city yesterday.

THE SICK.

Clay Brown, whose serious illness has been noted before in these columns, is some better.

Arms Bowen, a leading citizen of Bowen, is very sick and fears for his recovery are entertained.

The twelve-year-old son of John P. Gaylord has been very ill of pneumonia fever but is now improving.

The check for the fifth school month has been received by Supt. R. A. Irvin, and the same is now ready for payment.

Mrs. A. M. Burgher is visiting relatives at Stanton and will attend the Ewen-Derickson wedding before returning home.

For a delicious breakfast food, get a package of Elijah's Manna at the new grocery 5 and 15 cents.

Mr. W. O. Everman, a pioneer citizen of Virden, is transacting business in the city.

SPOUT SPRING.

P. C. Pryor has been very sick for several days, but is now some better.

The little child of Marion McKinney was very sick for several days this week, but is some better at the present time.

Mrs. A. J. Curtis, who has been very sick for several weeks past, is now fast improving under the skillful treatment of Dr. R. A. Irvin, of Clay City.

John Kerr has again rented the D. McKinney farm, and will continue to reside in our community. Mr. Kerr is an excellent citizen whom we are glad to have remain in our midst.

Berry Barnett and Tom McKinney have bought of Captain Wm. Davis, of Vaughn's Mill, his saw mill, and will move same to H. F. Christopher's farm near here and saw up a large boundary of timber. Each one of the new firm has a large tract of their own timber which they will saw, and several others will have some timber sawed. The mill will be of great benefit to our farmers. The mill is a good one but was bought for \$650.

A School of Vice.

There is no worse school of vice than the streets and alleys of the ordinary town. Children, who are allowed to run at large and receive their general stock of knowledge from such places, will soon find their way into other dens of wickedness, and may finally land in the penitentiary or on the gallows. Some deluded parents say they would rather have their children become acquainted with the world than to have them grow up ignorant of what is going on. A community filled with sweet innocence and virtue, though clothed in illiteracy, has a better citizenship than the one composed of "smart" thoroughbred rascals. We are highly in favor of education, but we want it directed along certain lines and to come through certain, well directed channels, and not by way of streets and alleys and other filthy places.—Mt. Olivet Advance.

\$1,000 Reward for Fugitive Taylor.

Appeal to Reason a Socialist paper offers a reward of \$1,000.00 to any one who will kidnap fugitive W. S. Taylor, now wanted in Kentucky for the murder of Gov. Goebel. The paper speaks out as follows:

"The Supreme Court of the United States has held that kidnaping is a perfectly legal method of taking an accused man from one state to another. This decision was rendered in the now famous Moyer-Haywood case, in which the defendants were both Socialists and workingmen. Will the Supreme Court of the United States hold to this same opinion if the defendant is a Republican and a capitalist?"

To give the Supreme Court the opportunity to pass on a case of kidnaping a capitalist politician wanted on a charge of murder in a sister state, I will give \$1,000.00 to the person or persons who capture Ex-Governor Taylor, of Kentucky, who is now supposed to be in hiding in Indiana under the protection of the governor of that state, and return him, forcibly or otherwise, to the state authorities of Kentucky.

In other words, any person or persons, is at liberty to sandbag Taylor, carry him across the border and deliver him to the authorities of Kentucky, and it will be a perfectly legal procedure and upheld by the highest court of the land. It matters not how inconsiderately or hastily this action may be done, it will not be a violation of the constitutional rights of Taylor, capitalists and Republican! The Supreme Court will back the kidnapper and protect them—provided it holds to its recent decision.

The only stipulation regarding the payment of the \$1,000.00 reward is, that Taylor must be handed over to the Kentucky authorities and placed behind the bars before the trial of the officers of the Western Federation of Miners is begun.

Backset for Foraker.

A negro organization of the Southern states composed of 50,000 leading Africans, in convention has indorsed President Roosevelt's action in discharging from the service of the United States army 267 negro soldiers for shooting up Brownsville, Texas, Aug. 13th last in which one white person was murdered and others injured.

This should be a kind of a set back for the negro-equalizing Senator Foraker who wants the action of the President investigated in doing his plain duty. Foraker seems to think negroes should be encouraged in murdering so long as the victims are Southern white folks. And Foraker wants to be President.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

I WILL GIVE THIS BEAUTIFUL PICTURE

To one person at every postoffice. The first one who writes will get it. It is called "Fruits and Flowers." The rich fruits are so natural that you almost think you can eat them, and the flowers so perfect that you half expect to smell their sweet perfumes. The picture is 20 inches long and 16 inches wide, just right for framing, and it will make a handsome addition to any home.

BE THE FIRST to write from your postoffice and without fail. The one cent you spend for a postal card to write to me on is all it will cost you. I will not ask you to expect you to send one cent of money. I am going to give you the picture and ask you to get one of your neighbors to send me 10 cents for something that is worth 45 cents. I am a publisher, and I have adopted this plan of advertising my business. It is an absolutely new and original way of advertising, and if you are the first to write from your postoffice, you will be the one to profit by it. Remember, now, I do not expect you to send me one cent of money; I shall not ask you to do a lot of work for me, and the picture will positively be sent to you by return mail. I will then explain my plan in full to you and ask you to show it to **ONLY ONE** of your neighbors and get that neighbor to send me **ONLY 10 CENTS**. I will give so much for the time that the first one you see will jump at the chance. I will trust you absolutely to do this little favor for me, and I know you will be delighted to do it when you see the picture. Don't let anybody get ahead of you, but write today, mention this paper in which you saw my advertisement, and ask for the picture, "Fruits and Flowers." If you write **AT ONCE** I will give you another present worth 50c, which will prove very useful to you. **H. R. HANLIN** Publisher, Nashville, Tenn.

A lawyer in the court room may call a man a liar, scoundrel, villain or thief, and no one makes a complaint when court adjourns. If a newspaper prints such reflections on a man's character there is a libel suit or a dead editor. This is owing to a fact that people believe what an editor says; what a lawyer says cuts no figure.—Ex.

**FOR ONE
WORD.**

Name the Missing Word.

The Farmers' News Scimitar offers \$250 00 for one word. A certain word has been selected from a sentence. The sentence is from a work by a well-known English author, and has been extensively advertised throughout the country. The book is under sale everywhere where it will be held until the close of the contest, when it will be opened and the word made known to all of our readers. The contest opened November 23, 1906, and will close March 31, 1907. This is the interesting sentence. What is the missing word:

"You Shall Not ' _____ ' With Me."

CONDITIONS—Each answer to supply the missing word must be accompanied by 25 cents for 12 months subscription to the Farmers' News Scimitar. Both remittance and answer must be sent in same envelope that brings the subscription. In making your answer simply state the missing word for March 31st is "_____" No set form of words, however, is necessary. 25 cents pays for one year's subscription and one answer; 50 cents for two years' and two answers; 75 cents for three years' and three answers; \$1.00 for four years' and five answers.

Should the missing word be correctly named more than one time, the prize will be equally divided among the correct words received.
